Presentation to : “Africa of Builders in March 2008”

14-16/Nov.08 -University –Economy hall –Novoli -FLORENCE (IT)

English @@@@

Purposes of Program: Hypatia : Acronym for: HY (for) PA (rtnership) for E (ducational) I (nformation) T (echnology)

- Implement an innovative knowledge-sharing of ideas and projects between the European Union and the African Union to promote development of creative society in the context of the global knowledge economy.
- Enhance a work-space-WIKI to give voice to an Intercultural dialogue aimed at developing a new economy of welfare and variety

Developmental Strategy :

- to aggregate and enhance comprehensive international "Hypatia- web-community " to formulate joint responses and peer actions for the future development of the knowledge economy
- to encourage active female creativity to promote transdisciplinary science, art , and innovative technologies.
